EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Gary A. Essmann on June 15, 2005.

The application has been amended as follows:

Claim 1 has been rewritten as follows:

cl -- 1. (Amended): Axial piston drive with a continuously adjustable piston stroke, comprising a drive shaft (10,12) on which a swash plate (16) is supported in a crank chamber (14) in such a way as to be tiltable and displaceable in the axial direction, and with a controller (18,20) by means of which an tilt angle and an axial position of the swash plate (16) can be adjusted, and with at least one piston (26,28) connected to the swash plate (16) so that it can be actuated to move within the cylinder (22,24), wherein the controller (18,20) incorporates an adjustment unit (30,32) that is separated from the piston (26,28) and hydraulically driven,

characterized in that the adjustment unit (30,32) is supplied with compressed oil by a hydraulic unit [that] which is controlled independently of the medium being

Art Unit: 3746

C) propelled by the piston (26,28), the hydraulic unit comprises an oil separator (34)
disposed downstream of the cylinder (22,24).--

Claim 4 has been canceled.

In line 1 of each of claims 5-8 "4" has been deleted and --1-- has been inserted
therefore.

The following is an examiner's statement of reasons for allowance: the prior art neither discloses nor makes obvious an axial piston drive with a continuously adjustable piston stroke having a controller for adjusting piston stroke which incorporates an adjustment unit that is supplied with compressed oil by a hydraulic unit which is independently controlled and supplied with oil by an oil separator disposed downstream of the cylinder.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Charles G. Freay whose telephone number is 571-272-4827. The examiner can normally be reached on Monday through Friday 8:30 A.M. to 5:30 P.M..
